3. The question type slider.
4. The question type smile.
5. The question type star.

Note: You can choose one of type of question.

A screenshot of a web application's 'Add Question' dialog box. The dialog is a white window with a title bar containing a user icon and standard window controls. It has three main sections: 'Enter your text' with a text input field and a label '1'; 'Question order' with a dropdown menu showing '1' and a label '2'; and 'Question type' with three radio button options labeled '3', '4', and '5' corresponding to 'Slider', 'Smiley', and 'Stars'. At the bottom are 'Save' and 'Cancel' buttons. The dialog is overlaid on a blurred background of the application interface.

There are three types of question answer: The Slider:

The slider is an interactive question that allows respondents to select values from continuous range by dragging slider along range, have start value.

Example of slider answer:

4.3

GOOD

POWERFUL

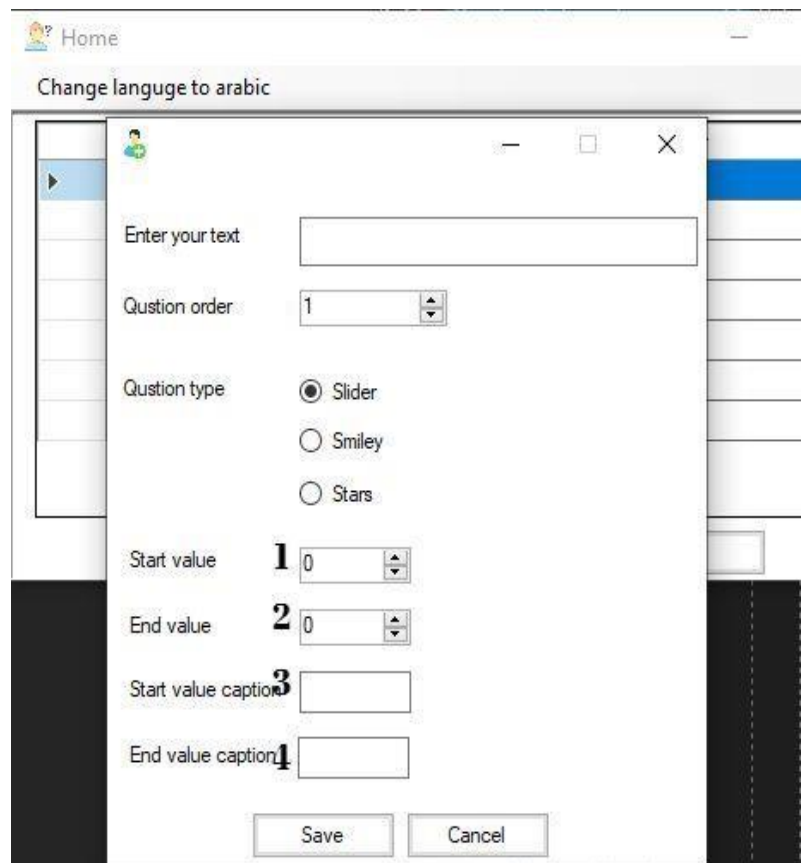

LIVELY

This example for adding slider question:

1. Start value the lowest value of the slider range (by default the slider will have a minimum of 1)
2. End value: the highest value of the slider range (by default the slider will have a maximum of 100)
3. Start caption: it is a word symbolize for start value, the length of start value caption 15.
4. End value: it is word symbolize end value, the length of end value caption 15.

The screenshot shows a web-based question editor interface. At the top, there is a header bar with a 'Home' button and a language toggle switch set to 'Change language to arabic'. Below this is a sidebar with a list of question types, including a slider icon. The main area is a form for editing a question. It includes a text input field for 'Enter your text', a dropdown for 'Question order' (set to 1), and radio buttons for 'Question type' (Slider, Smiley, Stars). The 'Slider' option is selected. Below these are input fields for 'Start value' (set to 1), 'End value' (set to 2), 'Start value caption' (set to 3), and 'End value caption' (set to 4). At the bottom are 'Save' and 'Cancel' buttons.

Field	Value
Enter your text	
Question order	1
Question type	Slider
Start value	1
End value	2
Start value caption	3
End value caption	4

The Smiley:

Smiley faces communicate emotions and is often used in customer and employee feedback surveys. They are easy to use and quick to answer, and so are a massive hit among both survey creators and respondents.

Example of smiley answer:

How satisfied are you with our services?

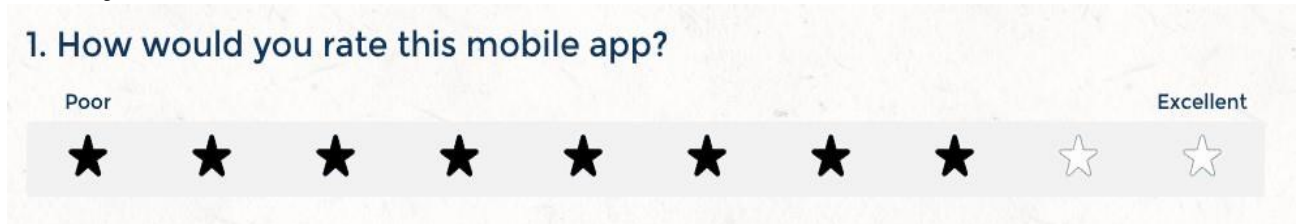

This form for example smiley question:

1. Number of smile faces, should only contain numbers, minimum number of smile faces is 2 and maximum number is 5.

A screenshot of a survey form configuration window. The window has a title bar with a question mark icon and the text 'Change'. Inside the window, there is a text input field labeled 'Enter your text'. Below it is a 'Question order' dropdown menu set to '1'. The 'Question type' section has three radio buttons: 'Slider', 'Smiley' (which is selected), and 'Stars'. At the bottom, there is a 'Number of smile' dropdown menu set to '2'. At the bottom right of the window are 'Save' and 'Cancel' buttons.

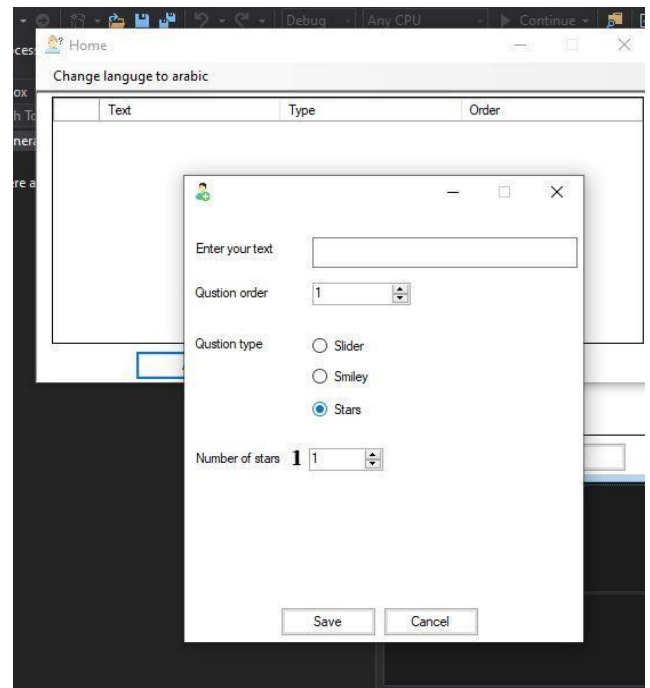

The Star:

The star answer lets respondents evaluate a question on visual scale of stars. A weight is assigned to each icon in the scale, so a weighted average is calculated in the analyze result section. **Example of smiley answer:**

This example for adding smiley question:

1. Number of stars, should be only contain numbers, minimum number of stars is 1 and maximum number is 10.

3.3 Edit Question

To edit the question, you can edit the question text, the order number, and the variables for the question for any type of question for the same conditions.

Home

Change language to arabic

	Text	Type	Order
	how old are you ?	Slider	223
▶	where are you ?	Smily	665
	what are you doing ?	Stars	1

Add

Edit

Delete

Note: You can't edit the question type.

There is two ways for edit question:

- 1- Choose the question then press the edit button.
- 2- Double click on a question, the edit screen will appear.

The screenshot displays the 'Survey' application window. On the left, a sidebar lists questions: 'Text', 'where a', 'how old', and 'what an'. The 'where a' question is selected. The main area shows the 'Edit' screen for this question. It includes a text input field with 'where are you ?' entered. Below this, the 'Question order' is set to '665'. The 'Question type' is set to 'Smiley' (indicated by a selected radio button). The 'Number of smile' is set to '5'. At the bottom right, there are 'Save' and 'Cancel' buttons.

Text
where a
how old
what an

Enter your text: where are you ?

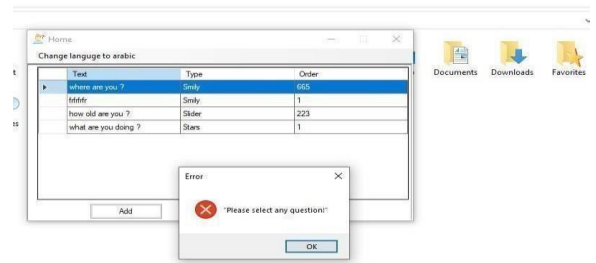

Question order: 665

Question type: ☐ Slider ☒ Smiley ☐ Stars

Number of smile: 5

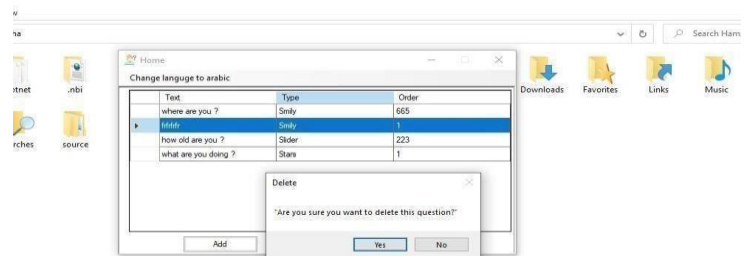

Save Cancel
